Prez Sez

Dear Fellow Lions,

This is my last Prez Sez as your sitting President. It definitely has been an interesting year to say the least. I would like to extend my deepest gratitude to all the Club Members who supported our Club, our Mission "To Serve" and myself. Despite all the challenges, we stayed committed. Thanks to Past Presidents and the Club's leadership and members at large we were able to keep all the charity donations and scholarships at the previous years' level. I had the privilege of sitting at the dinner table with one of the scholarship recipient's family at our last meeting and it would be an understatement to say that they were really surprised that we actually did give away the scholarships this year. I hope that next year will be a great one. I encourage you to stay active, support the new board which will be installed at our next membership meeting and help us celebrate our 75th Anniversary or our great Club.

Thank you again for all your work, help and support and looking forward to seeing you all at the Chicken Roast!

Lion President

Slava Krol

Annual Golf Outing/Fundraiser

The 23rd Annual Grafton Lions golf outing/fundraiser is coming up soon! The event will be held on August 23th – a Monday at Edgewater Golf Club with a 9 hole semi ‘shot gun’ start beginning at 1:00 pm. Save the date and make your plans now to join us for the afternoon or even just for dinner if possible. The event is completely ‘open to the public’ so your foursomes can include family, friends and co-workers; or sign up individually and we’ll pair you with other ‘free agent’ golfers. **Get your team registrations in early by or before August 9th if possible!** And please help spread the word in order to increase participation and the overall success of this Lion’s fundraiser.

A registration form is included with this newsletter and can be found at the Grafton Lion’s website www.graftonlions.com on the front page or by contacting Committee Chair Dan Hubacek at 414-899-8989 / danhubacek@yahoo.com . In addition we are always looking for additional event sponsors and for donations of raffle prizes. Sponsor/donation forms are also available for your use at the Lion’s website or by contacting Dan Hubacek.

Thanks in advance for your support of this fun event and we hope to see many of you on August 23.

LEBW Transporter

Fellow Lion Eye Tissue Transporters.

The Grafton Lions will be doing tissue transfers between July 1 to the 10th. Lions Jack Reindl and Darrel Blank will be coordinating this effort again this year. Lion Jack has a new computer and some of his files did not transfer. As a result, he will have to rebuild the transport group email list. So, please email Lion Jack Reindl (jador71@att.net) that you would like a transport planning grid and please be sure to include your cell phone number. That way, he can build the schedule for this year and for future transport planning. As in the past, please use this grid and let him know what times you are available. Also, welcome to the new Lions who took the on-line video. We will include you in the schedule.

The final schedule will only go out to those Lions who are transporters and who respond to him by the June 16th with a completed transport grid.

In Jack's discussions with Kasey at the LEBW, we hope that the transports increase. With the restrictions on Covid lessening we hope to see more transports.

We will again be allowed to enter the Days Inn in Johnson Creek so the tissue will can be dropped off at the desk. Be sure to have your ID tag with you, it will still be needed at Wisconsin Diagnostics, formerly Dyna Care. It is still the same building and entrance. You will need masks if delivering to a Medical Facility ie. St Lukes or the VA.

Once again, Lion Jack or Lion Darrel will get the initial call. They will then call the transporter assigned to that window of time. Once your ability to make the transport is confirmed, they will return a call to LEBW with your name and cell phone. Once the tissue delivery is completed you will need to confirm it with the LEBW as well with either Lion Jack or Lion Darrel.

Lion Jack thanks you for your service and cooperation in making this such a meaningful service project. Lion Jack's email is jador71@att.net
